

CATTLE MARKET REPORT

Murgon Agents yarded 780 head at the sale on the 11th August 2020. All types sold to a very strong market with the exception of the 300 to 400kg steers which saw a slight drop of 6 cents per kg. A large number of buyers ensured strong competition particularly for the small steers in the 0 to 200kg range showing an increase in price of 100cents per kg while the 200 – 300kg showed an increase of 85 cents per kg. Bulls to 450kgs also sold to a high of 441cents per kg – an increase of 125 cents per kg on the last sale. Some very good Angus steers from the Nanango District weighing 207.5kgs sold to 470.2cents to return \$975.67 pr hd while the Heifer portion weighing
